BERKSHIRE KUROBUTA PORK

At LeTrio Ramen, we used exclusively KuroButa (Berkshire Pork). What makes KuroButa (Berkshire Pork) so special? For starters, it comes from heritage-breed pigs that have been carefully raised on small family farms. These pigs are allowed to roam freely and are fed a high-quality diet that includes grains and vegetables, resulting in meat that is both flavorful and nutritious. But it's not just about the quality of the pigs-it's also about the meat itself. KuoButa (Berkshire Pork) is known for its marbling, which makes it incredibly tender and juicy. It's perfect for grilling, roasting, or even slow-cooking. With a rich, savory flavor, it's sure to satisfy even the most discerning palates.
